

DESTINATION SERVICES

The support your employee receives in their new location is one of the most critical aspects in achieving a successful move or assignment.

Individual and family needs can be diverse. Therefore, our custom approach assures that each employee is given the assistance they need to settle-in quickly, comfortably and effectively.

Here are some of the ways that NRI Relocation can provide “on the ground” support — enabling your relocating employee to swiftly return to productivity and focus on your business goals.

- Area Orientation
- Short Term Furnished Housing
- Long Term & Permanent Housing
- Settling-in Services
- Language & Cultural Training
- School Search
- Auto Leasing
- Mortgage Assistance
