

HOUSEHOLD GOODS TRANSPORTATION

NRI Relocation's Household Goods (HHG's) Move Management Program offers comprehensive and flexible services from a single point of accountability. Key components of the program include:

- Employee Counseling
- Policy Administration
- Van Line & Containerized Shipments
- Carrier Selection
- Carrier Management
- \$100,000 Replacement Value Protection
- Claims Assistance
- Performance Reports
- Invoice Auditing

NRI will ensure the movers protect the safety and condition of your employee's HHG's during transit to the new location, as well as meet their reasonable pick-up and delivery expectations.

Throughout the move your employee will enjoy the support of their NRI Consultant who understands their timeline and special needs. Their NRI Consultant will choose the method of shipment and the best suited supplier. A survey of the HHG's will be conducted to ensure the timely submission of the HHG's move quote. Estimates will be reviewed in comparison to policy limits and if any item requires special authorization it will be discussed with the Company.

Let's get moving. A cost effective relocation program awaits.
